

CADIA 2025 Offerings

Membership

Membership provides resources, networks, insights and benchmarking you can't find elsewhere to move the needle on DEI.

Roundtable

CADIA DEI Roundtable is a peer network for the exchange of best practices and information. Included in membership.

Accelerator DEI Certification Program

Join DEI champions from around the world on a journey of skill building in this 12-week program. Included in some memberships.

Workshops

Workshops tailored to build competencies within your teams, grounded in your company culture and goals.

Speaking Engagements

International Women's Day, PRIDE Month, DEI summits, leadership summits...just a few of the places CADIA can step in with important and engaging messaging.

ERG Summit @Your Company

Synchronize the efforts of your ERGs in a unified direction, fostering an environment of collaboration and shared purpose.

CADIA Academy

On demand professional development for all, with blended learning and certifications. Included in some memberships.

Publications

Studies, reports, newsletters and blogs. Get the latest insights into DEI in the automotive industry as well as outside perspectives.

CADIA Connects

A monthly connection for the automotive community featuring DEI, leadership and professional development topics. Always free to all.

Mental Health/Well-being Workshops/Experiences

Our newest offering: Help employees master mindset, emotions and energetics to manage stress and achieve peak performance.

Reach out today for a conversation about how you can support and grow the potential in your employees -- and your company -- with CADIA. **Contact Jennifer Harding.**
